Our latest Genealogy Class is now forming. This class is limited to the first 20 registered. The class will include New ways to research your family and how to locate records needed to complete your trees. We will also include information on the new Roots Tech and [Ancestry.com](https://www.ancestry.com) and How to find family cemeteries. This class will cover areas for beginners to experts. REMEMBER as always the Library's Ancestry, Family Search and Fold3 available to use free of charge.
